I am presently homeless and without income, My brother allows me to stay at his home, I do not wish to be a burden on his family or society, I am willing and able to be self-sufficient. I have lived in Bonne Terre the majority of my life, my parents and grand-parents are from Bonne Terre, I have recently returned to the area, to give back to my community, I have many talents and wish to share my knowledge and understanding with others, and be a positive, productive member of my community. I only seek opportunity to help others and improve the quality of life for the community as a whole.

Thank You for your consideration, Have a Great Day, Allen
